

PRECISION MEDICINE BRIEFINGS

Please Save the Date

Join us for a virtual educational briefing on the importance of precision medicine and biomarker testing in cancer care

Friday, April 23, 2021 at 12 pm PT

With participation from:

- **Julie Ramage**, Director, Precision Medicine Quality Initiative and Partnerships - AstraZeneca
- **Daniel Thompson**, Senior Manager, Oncology Diagnostics - AstraZeneca

As part of AstraZeneca's **YOUR Cancer** program, we invite you to participate in a virtual educational briefing to discuss the following:

- The importance of oncology precision medicine and biomarker testing
- How precision medicine innovation and access have been affected by the pandemic
- Opportunities to advance precision medicine for patients in need

Details: **Date:** *Friday, April 23, 2021* **Time:** *12:00 - 1:00pm PT*

Where: *Zoom Meeting*
